**On-time graduation rates** - The percentage of students who completed a program within the normal time to complete, which is described in the catalog, based on the student's schedule, and provided in the enrollment agreement for a student to complete the program without incurring additional charges.

**Tuition, fees, books and supplies** charged to students for completing a program within normal time.

**Placement rate** for students completing a program as calculated according to methodology required by the school's accrediting agency.

**Median Loan debt** for students completing a program separated by title IV, HEA program loans, private loans and institutional financing plans.

**Some campuses are affiliated with others via a main/branch/additional location relationship. These campuses have the exact same OPE ID Number. Federal rules require that aside from tuition and fees, the disclosure rates for these campuses be based on their combined data. Disclosures are only listed for programs eligible for Higher Education Act Title IV Program Funds.**
